

Join the Woodson Art Museum's Wee Build Workshop team by creating your own Mini Makes artwork.

Tips

- Place objects such as coins, jewelry, and small trinkets under the paper and use a pencil with a dull tip and a gentle back-and-forth sideways stroke to transfer the texture to the paper.
- Add color, using markers, crayons, and pastels.
- Cut out magazine or other images and use a little glue.

- Scout out tiny treasures to use as inspiration, to collage, or for rubbings.
- Work small scale, using the empty frames on the next page.
- Fill the frames creatively on the "gallery walls."

For tips, see the back page.

Art Kit support comes from a Tribute Fund contribution in memory of Nancy Graves.
