DAY ONE

Begin your trip in Oshkosh, taking in the beauty of the four-acre Tudor Revival-style country estate at the **Paine Art Center and Gardens**. The museum preserves the property's historic architecture, with the mansion as the centerpiece and many of the home's interiors remaining as they were created originally. Selections from the museum's art collection are featured in many rooms and settings of the estate. Outdoors, the estate features numerous gardens with varied designs and thousands of plant specimens.

From Aug 1-Oct. 26, visit **The Paine's The Nature of Light**, a spectacular showcase of illuminated sculptures and environments inside the mansion and outdoors throughout four acres of gardens. Visitors can view, touch, explore and play with the nature of light itself.

In the afternoon, let art captivate you at **Bergstrom Mahler Museum of Glass** in nearby Neenah. Ranked in the top five glass museums in the country, BMMG provides extraordinary glass experiences to spark fun, kindle creativity and illuminate learning. With four permanent collections containing over 5,000 objects, visitors can see the world's most representative collection of antique and contemporary glass paperweights, the Mahler collection of Germanic vessels dating from 1573, a collection of Victorian Era decorative glass baskets, and a significant collection of contemporary glass sculpture.

Deal Alert: Wisconsin Art Destinations visitors can enjoy up to 15% off hotel stays at Oshkosh Marriott Waterfront Hotel, as well as more than a dozen local discounts at dining, shopping and entertainment destinations throughout Oshkosh.

The Woodson's historic and contemporary collection sets a world standard for avian- and nature-themed art.

Beginning Sept. 6, don't miss the 50th anniversary of **Leigh Yawkey Woodson Art Museum's Birds in Art** exhibition. Discover how artists' interpretations of birds inspire you and why, throughout five decades, Birds in Art has garnered international acclaim.
